

# Add extended time to students in Canvas Quizzes

Once a quiz has been published. Go to the Quiz in your assignments/quiz located on the left toolbar. Click on the quiz that needs to be edited. On the right side click on **Moderate This Quiz**. To the right of the students' name click on the edit tool. In the Student Extension box, enter the time the student will receive based on their accommodation (1.5x or 2x). Once completed, on the Moderate Quiz page under the student's name the extended time will be added.

The screenshot shows the 'Moderate This Quiz' interface for a 'SSD-ATEC quiz (Remotely Proctored)'. The quiz is currently 'Published'. The 'Time Limit' is set to '10 Minutes'. The 'Moderate This Quiz' button is highlighted with an orange box. Below the quiz details, there is a table showing the quiz's availability for a student.

Due	For	Available from	Until
Mar 26 at 4:45pm	1 student	Mar 26 at 4:45pm	Mar 26 at 4:55pm

The screenshot shows the 'Moderate Quiz' page for 'SSD-ATEC quiz (Remotely Proctored)'. The page displays a list of students and their quiz attempts. The student 'McStudent, Ssdone' is highlighted with an orange box, and the edit icon next to their name is also highlighted. The table below shows the quiz attempts for each student.

If an exam is made flexible, then test takers will have the option to use Proctorio or take the exam with an approved proctor who has the exam password. [Learn](#)

Proctorio can also be disabled for certain test takers. If Proctorio is disabled for an individual, then they must take the exam at the testing center, and cannot use the exam password. [Learn](#)
